The Oath of Passage

ORDER OF THE SILVER PADLOCK · CYBERSECURITY MERIT BADGE · PERMISSION SLIP

Scout's name _____ Unit / Troop _____

The Order's code (please read with your Scout)

- A Warden uses their device only for class activities.
- Every phishing, spoofing and Wi-Fi demonstration uses practice material. No real person or account is ever targeted.
- A Warden never enters a real password or personal account details during class activities.
- A Warden lives the Scout Law online as well as offline.

- [ ] My Scout has permission to attend the Cybersecurity merit badge class and take part in its activities, including games, team trials and the Grand Tournament competition.
- [ ] My Scout may bring and use a personal device (laptop, tablet or phone) for class activities, and agrees to follow the Order's code above.
- [ ] The free game Cyber Threat Defender (from the University of Texas at San Antonio) has been installed on my Scout's laptop, or I will ask for help before the deadline.

Parent or guardian signature _____ Date _____
